We may collect Personal Information about Your activity on Our Platform such as date and time You logged in, features of Our Platform that You have been using, searches, clicks and pages visited by You.

As part of Our Services, We may use third-party technologies to understand how Our Users as a whole use Our Services and constantly enhance, innovate Services to reflect the needs of the Users. When You use, or access the Platform, We may also collect and store additional information which may or may not personally identify You or be identifiable with other information collected. Such information includes, without limitation, Your internet protocol address, Your usage and log in information, email id, browser types, domain name, device locations, geographic locations, type of operating system, browser type and version, operating system, identifiers associated or other technologies that may uniquely identify Your device or browser and other statistical data involving Your use of the Platform and/or Our Services. This information is collected passively using various technologies or may be provided by You through communications with Us.

User understands that User shall be solely responsible for the accuracy and truthfulness of the Personal Information shared with Us. In the event the User is sharing any Personal Information on behalf of a third person, the User represents and warrants that he/she has the necessary authority to share such Personal Information with Us and We shall not be responsible for verifying the same. The User understands and acknowledges that such Personal Information shall be subject to the terms and conditions of this Privacy Policy.

You understand, acknowledge and agree that when You access social media Your Personal Information is identified by such social media sites, and they may provide Your Personal Information to Us, or we may collate or derive Your Personal Information on the basis of Your engagement on social media.

Unless specifically requested, We ask that You do not send Us and You do not disclose, on or through the Platform or otherwise to Us, any sensitive personal information, including any of the following: (i) racial or ethnic origin; (ii) political opinions; (iii) religion; (iv) ideological or other beliefs; (v) sexual

orientation; (vi) national identification numbers/Aadhar card number; (vii) criminal background; (viii) administrative or criminal proceedings and sanctions; or (ix) any other sensitive personal data information.

4. COLLECTION OF NON-PERSONAL INFORMATION:

We may automatically collect non-personal information about You such as the type of internet browsers You use or the website from which You linked to Our Platform. We may also aggregate details which You have submitted to the Platform (for example, gender, birth date etc.) You cannot be identified from this information, and it is only used to assist Us in providing an effective Service on this Platform. We may from time-to-time supply third parties with this non-personal or aggregated Information in connection with the Services providing on this Platform.

The details related to the aggregation of information provided by You on the Platform shall be used for our reference. But the details of individual information shall not be used by Us. For example – for the purpose of analysis the data shall be used by Us, but data, information, methodology preferred by You shall not be used by Us.

5. DEVELOPMENT OF DERIVATIVE DATA:

On the basis of data provided by You, including but not limited to Your specialties, educational details, geographical location, consultancy preferences whether online or offline, gender, age etc.

On the basis of Your usage of Service, we may create certain derivative data that is used only to provide better Services to You.

6. HOW WE USE PERSONAL AND NON-PERSONAL DATA:

The information is collected and used to:

- i. Provide advisory Services in case You enlist for the same.
- ii. Offer You the courses based on your Speciality and educational qualification.
- iii. Provide you the details of equipment and other Products offered by the Platform.
- iv. create and administer Your accounts and to improve the quality of as well as Your experience of the Platform and Services.

- **Joint marketing arrangements** – Where permitted by law, We may share Your Personal Information with joint marketers with whom We may have a marketing arrangement, who shall be under confidentiality obligations towards the same.
- **Legal and Regulatory Authorities** – We may be required to disclose Your Personal Information due to legal or regulatory requirements. In such instances, We reserve the right to disclose Your Personal Information as required in order to comply with Our legal obligations, including but not limited to complying with court orders, warrants, or discovery requests. We may also disclose Personal Information about Our Users to law enforcement officers or others, in the good faith that such disclosure is reasonably necessary to enforce this Privacy Policy; respond to claims that any Personal Information violates the rights of third parties; or protect the rights, property, or personal safety of Platform, Our Users or the general public. You agree and acknowledge that We may not inform You prior to or after disclosures made according to this section.
- **Persons who acquire our assets or business** – We may transfer Your Personal Information if We are acquired by / We acquire or merge with another entity or transfer a part of Our business, including the application to a third party. Any third party or resultant entity that receives Your Personal Information pursuant to a merger, demerger or business transfer shall have the right to continue to use Your Personal Information. In the event of such a sale or transfer, We may reasonably notify You.
- **Service providers or business partners** – We may use certain trusted third party and individuals to help Us to provide, analyses, and improve the Services or provide marketing, development or consulting services, data storage, payment processing and other features related to the Service. These third parties may have access to Your Personal Information only for the purposes of performing their respective tasks and are under obligations similar to those in this Privacy Policy. We may disclose Your Personal Information to service providers who perform hosting Services on Our behalf.
- **Testimonials** - We may publish any testimonials that You have provided about the Platform or Services and such testimonials and other marketing, promotions and advertisements may include Your Personal Information that You have provided to Us.

Notwithstanding anything mentioned hereinabove, We shall not be responsible for the actions or omissions of the parties (including but not limited to the entities listed above) with whom the Personal Information is shared, nor shall We be responsible and/or liable for any additional information User may choose to provide directly to any third party.

10. DATA RETENTION:

We may retain and use Your Personal Information as necessary to comply with Our legal obligations, resolve disputes, and enforce Our agreements. We may also need to retain certain data for record keeping purposes, and there may also be residual information that will remain in our databases and on other records, which will not be removed.

11. SECURITY:

We value Your Personal Information; We will ensure an adequate level of protection. We endeavour to safeguard Your Personal Information from unauthorized access and improper use and will try to update these measures as new technology becomes available, as appropriate. All Personal Information is securely stored with shared hosting server. As a matter of security, We take back-up of systems periodically. Although We provide appropriate firewalls and protections, Our systems are not

hack proof. Data pilferage due to unauthorized hacking, virus attacks, technical issues is possible, and We take no liabilities or responsibilities for it.

You are responsible for all actions of Your User account and password. Therefore, We do not recommend that You disclose Your password to any third party. If You choose to share Your User account and password or any Personal Information with third parties, You are solely responsible for the same. If You lose control of Your password, You may lose substantial control over Your Personal Information and may be subject to legally binding action.

12. INTERACTION BETWEEN YOU AND WEBSITE:

We are interested in Your views, and we value the Feedback (defined below) we receive from You. However, we do not have control or are responsible for any such Feedback or the Personal Information which You make available through the Platform. We encourage You to be careful regarding the Personal Information You disclose in this way.

Subject to any applicable law, any communication or feedback sent by You to the Platform or Users (including without limitation testimonials, reviews, comments, blogs, contents, images, audio, feedback etc. collectively “Feedback”) is on a non-confidential basis, and We are under no obligation to refrain from reproducing, publishing or otherwise using it in any way or for purpose. We can use the feedback including without limitation any ideas, inventions, concepts, techniques or know-how disclosed therein, for any purpose including without limitation developing, manufacturing and/or marketing services.

You agree that You will not assert any ownership right of any kind in the Feedback (including without limitation copyright, patent, trademark, unfair competition, moral rights, or implied contract) and You hereby irrevocably waive the right to receive any financial or other consideration in connection with the Feedback, including without limitation acknowledgment of You as the source of the Feedback. Your submission of any Feedback shall constitute an assignment to Us of all worldwide rights, titles and interests in all copyrights and other intellectual property rights in the Feedback. For this reason, We ask that You do not send Us any Feedback that You do not wish to assign to Us, including any confidential information, Personal Information, or any original creative materials. You shall be responsible for the content and information contained in any Feedback sent by You to the website or otherwise to Us, including without limitation for its truthfulness and accuracy.

13. THIRD PARTY LINKS:

We may have links to other website/application, or You are referred to Our Platform through a link from another website/application. We shall not be responsible for the privacy policies and practices of other websites/applications. Such content is subject to their terms of use and any additional guidelines and privacy information provided in relation to that use on their website/application.

We recommend that You check the policy of each website/application You visit to better understand Your rights and obligations especially when You are submitting any type of content on those third-party websites/applications. Please contact the owner or operator of such website/application if You have any concerns or questions.

14. LOGOS, CONCEPTS, IDEAS:

We exclusively develop Our logos, concepts, and ideas for use in advertising, promotion, public relations and whatever else is appropriate to promote the services of Our guests. You are not

supposed to misuse, steal any of Our creations, logos, and also not use any of Our creations appearing on the Platform for any purposes, otherwise the act may attract penal action.

15. INDEMNIFICATION:

User agrees to indemnify Us, Our partners, affiliates, officers, agents, and employees and hold Us harmless from and against any claims, losses, damages, and demand, suffered by Us arising out of or relating to: (i) accuracy and correctness of Personal Information and contents that User submits or shares through the Platform (ii) User's violation of this Privacy Policy (iii) User's violation of any rights of another User. (iv) infringement of any third-party intellectual property rights (v) any breach of applicable laws and regulations.

16. LIMITATION OF LIABILITY:

Meditorch Technologies will not be liable for any damages, direct or indirect, incidental, special or consequential or exemplary damages and all liabilities (including for negligence, loss or damage such as loss of revenue, unavailability of system or loss of data and loss of Your Personal Information) and for use of or inability to use Services of any kind that is offered or to provide indemnity or any other remedy to You or any third party. We make reasonable efforts to ensure that the Platform is free from defects or viruses. It is Your responsibility to ensure that You use the correct devices for accessing and using the Platform and to protect from anything that may damage it.

17. RESERVATION OF RIGHTS:

All rights not expressly granted in this Privacy Policy are reserved by Us. Nothing contained in this Privacy Policy shall be construed as conferring by implication, estoppels or otherwise any license or right under any copyright, patent, trademark, or other intellectual property right of Meditorch Technologies or any other person or to User.

18. GOVERNING LAW AND DISPUTES:

This Privacy Policy is governed by the Information Technology (Reasonable Security Practices and Procedures and Sensitive Personal Data or Information) Rules 2011 which is designed to protect Personal Information; other relevant laws, and Our policies. You agree that the Governing Laws in whatsoever case shall be Indian Laws and regulations.

Any dispute arising, between You and Meditorch Technologies shall be governed under the laws of India and courts of law at Mumbai, Maharashtra, India shall have exclusive jurisdiction over such disputes.

19. CHANGES TO THIS POLICY:

Amendments to this Privacy Policy will be posted to this Platform and will be effective when posted. Your continued use of this Platform following the posting of any amendment, modification, or change shall constitute Your acceptance of the amendment. Please check our Privacy Policy on a regular basis.

20. CHILDREN:

The Platform is not directed at anyone who We know to be under the age of 18, nor do We collect any personal information from anyone who We know to be under the age of 18. If You are under the age of 18 years, please do not use the Service and do not submit any personal information to Us. In case You are under the age of 18 years and wish to use the Platform You should obtain permission from Your parents and guardians before sharing any Personal Information about Yourself to the Platform.
